

30 watt LED Track Lighting

EO-TRS-TR-30W

| SPECIFICATIONS | |
|----------------------------|------------------------------------------------------------------------|
| Product Code | EO-TRS-TR-30W |
| Power Consumption | 30.59W (LCP) |
| Colour Temp | 3000 Kelvin |
| Warm White | 4000 Kelvin |
| Cool white | 5000 Kelvin |
| Daylight | |
| CRI | 84 or 93 CRI option available |
| Lumen Output | |
| Warm White CRI 84 | 2130 Lumen |
| Warm White CRI 93 | 1700 Lumen |
| Warm White CRI 84 | 2280 Lumen |
| Warm White CRI 93 | 1820 Lumen |
| Cool White CRI 84 | 2400 Lumen |
| Cool White CRI 93 | 1900 Lumen |
| Daylight CRI 84 | |
| Daylight CRI 93 | |
| Beam Angle | 24° or 36° available (interchangeable reflectors) |
| Input Voltage | AC 240-260V (Ext power supply) |
| Operational Voltage | 38V |
| Constant Current | DC 720mA +/- 5% |
| Power Factor | 0.94 PF |
| Dimmable Option | Not available |
| Finish | Matt white body Opt black or white trim ring |
| Track compatibility | Universal tri track Works with STAFF, NORLUX, GLOBAL, NUCO & NORDIC |
| Life Expectancy | 30,000 + hours |
| Warranty | 2 Years |

Application: Studios, Galleries, retail shops, shopping malls, guesthouse, hotels, museums, meeting rooms, foyers

Super high light efficiency –architectural finish

- Commercial spot light- High CRI colour accuracy
- Eliminate shadowing of multi lens system
- Integrated optimised thermal management system
