

35W High Power LED Commercial Downlight

EO- VL303-35W

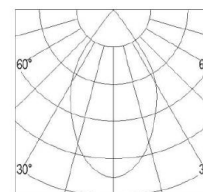

185mm (6 inch) - recessed

SPECIFICATIONS	
Product Code	Eo-VL303-35W
Power Consumption	35 watts
LED Chip	Cree COB
LED Driver	External- Meanwell
Colour Temp available	3000 Kelvin 4000 Kelvin
Colour Rendering Index CRI	>80 CRI
Lumen Output	2100 Lumen 2275 Lumen
Warm White 3000K	
Cool White 5000K	
Beam Angle- fixed	45' or 60' available
Input Voltage	AC 240-260v (Ext power supply)
Operational Voltage	240V
Constant Current	DC 1050mA +/- 5%
Power Factor	>0.95 PF
Dimmable Option	Not available
Rating	IP20
Finish	Body Housing – Aluminum White rim – High quality frosted anodized reflector
Includes	240v prewired flex and plug
Measurement	D 205mm, H160mm, Cut out 185mm
Weight	2.1kg
Life Expectancy	30,000+ hours
Warranty	2 years

60 Degree

h(m)	E(lx)	D(m)
1	651	60°
2	163	2.55
4	41	5.10
5	26	6.37

Application: Interior use- Studios, Galleries, retail shops, shopping malls, guesthouse, hotels, museums, meeting rooms, foyers

Super High Light efficiency- architectural finish- Commercial spot light- High CRI colour accuracy
Eliminate shadowing of multi lens system- integrated optimised management system
