

## T8 1200 Twin LED Batten

## EO- TF 1200 Double Batten

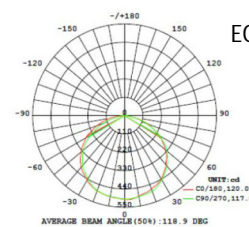

LED T8 1200mm Double batten fitting with wire guard for LED tube - heavy duty rolled steel case & ends

SPECIFICATIONS	
Product Code	Eo-EF 1200 Double Batten
Colour	White Painted Enamel
Cover	Wire or Diffused
Beam angle	120 degree
Measurments	1125mm 275mm H 93mm
Operational Voltage/ Frequency	240V, 500Hz

To be used with EO-SMD T8 1200

SPECIFICATIONS	
Product Code	Eo-SMD T8 1200-18
Colour	White
Power Consumption	18.02w LCP
Beam angle	120 degree
Lens	Clear or Frosted cover available
Operational Voltage/ Frequency	240V, 500Hz
Colour Temperature	Warm White 3000K Cool White 4000K- 4500K Daylight 6000K – 6500K
Light Output	1510lm – 1630lm
Colour Rendering Index	Ra72.1
Power Factor	0.9271
Operating Humidity	>95%
Operating Temperature	-20 <sup>o</sup> to +50 <sup>o</sup> C
Efficiency	100 lm/ watt
Housing	Aluminium & Thermoplastic
Expected Life	50,000 + hours

EO-SMD T8 1200-18IR Optional
