

15W LED Track Lighting

EO-DAC-TR-15W

Available in Black or White

| SPECIFICATIONS | |
|-----------------------------------|---|
| Product Code | Eo-DAC-TR-15W |
| Power Consumption | 17 watts |
| Colour Temp | 3000 Kelvin 4000 Kelvin 5000 Kelvin |
| Colour Rendering Index CRI | 84 |
| Lumen Output | 1400 Lumen 1620 Lumen 1500 Lumen |
| Beam Angle | 24' or 32' available |
| Input Voltage | AC 240-260v (Ext power supply) |
| Operational Voltage | 38V |
| Constant Current | DC 720mA +/- 5% |
| Power Factor | 0.94 PF |
| Dimmable Option | Not available |
| Finish | Satin White rim Black insert trim Polished reflector |
| Includes | 240v prewired flex and plug |
| Life Expectancy | 50,000+ hours |
| Warranty | 2 years |

Application: Studios, Galleries, retail shops, shopping malls, guesthouse, hotels, museums, meeting rooms, foyers

Super High Light efficiency- architectural finish- Commercial spot light- High CRI colour accuracy
Eliminate shadowing of multi lens system- integrated optimised management system
